

How to order workbooks for the Restored Lives course

We recommend everyone who does the Restored Lives Course is given a paper copy of the book and workbook. The workbook gives guests the key points from each session and space to take notes. The act of writing can help people remember what they have learned and discussed. You can download a digital version from the leader's hub.

To order paper copies in the UK you need to contact Solopress who have all the artwork loaded onto their system.

Use the template email below and send it to info@solopress.com. The invoice, confirmation and payment links will be sent to you via email directly.

If you are running Restored Lives elsewhere in the world please contact helen.bradley@restoredlives.org We will work with you to find a professional printer local to you and provide the print-ready versions of the workbook they will need.

Copies will cost £2-£3 each. The slight cost variation is based on how quickly you need the workbooks and where they need to be delivered to. (Order at least 5 business days before you need them to be delivered to get the best value!).
